Who We Are

About Us

The Millcreek Business Council is a voice for the business community to city leaders of Millcreek; a liaison between City Hall and the business community; a supporter of growth and retention; an asset in branding and marketing of the Millcreek business community; and an aide to local employers with their workforce needs.

Any licensed business in Millcreek is automatically a member of the Business Council, **at no additional charge**. All interested are invited to participate in the committees or activities of their choice.

Meetings are held at City Hall; interested individuals should reach out to the respective committee chairs.
